TOTAL FORCE STRUCTURE DIVISION MISSION

To integrate the manpower and equipment required by the Marine Corps to enhance the fundamentals of Expeditionary Maneuver Warfare and to fulfill its Title 10 requirements. TFSD determines Total Force manpower (active duty and reserve Marines and Sailors, and civilians) and equipment requirements, allocates the resources against these requirements, and provides a singular framework for integrating force structure decisions.

TOTAL FORCE STRUCTURE DIVISION ORGANIZATION

Total Force Structure Division is organized along MAGTF elements in order to provide functional expertise and analysis of force structure issues. An Operations Branch is tasked with integration and administration of the Division’s processes.
